

Press Statement on Congratulating Secretary, Department of Telecommunications, Ministry of Communications

“We congratulate Shri K. Rajaraman on his appointment as Secretary, Department of Telecommunications, Ministry of Communications. Industry looks forward to working with him for the development and growth of the sector that is vital to the Government’s Digital India vision.

As the industry readies to usher 5G and catalyse the digital economy, the Government has announced path breaking telecom reforms. This is crucial support that was needed to build the right infrastructure and revolutionize the sector. We are in complete alignment with the Government's initiatives which will put us on the right pathway for Digital India.

We are thankful to the outgoing Secretary, Shri Anshu Prakash for his remarkable leadership, exemplary commitment & appreciate the hard work done for the industry.”
