

COAI Press Statement on Power Outage in Chandigarh

23th February, 2022: “Owing to the strike by the Union of Employees in Electricity Department of Chandigarh, there have been instances of power outages in parts of the city. This has impacted telecom towers, which is leading to disruption in mobile network connectivity in impacted areas. Telecom operators & Infrastructure providers are taking all measures to power their sites, exchanges etc. by using alternate sources batteries, DGs, solar panels etc. in the absence to EB supply in some areas.”
